Pregnancy Ministries' *42nd Fundraising Dinner*

October 8, 2026 6:00 p.m.

Special Speaker

Dr. William Lile, known nationwide as the "ProLife Doc," has dedicated his life to caring for both mothers and their unborn children. Guided by his Christian faith, he is passionate about educating others on the humanity of the preborn and sharing the hope, healing, and forgiveness found through Jesus Christ. In 1999, Dr. Lile took over what had been the largest provider of abortion services in Pensacola, Florida. On his very first day, he ended all abortion procedures and referrals, transforming the practice into one that provides compassionate, life-affirming care. Today, he uses the clinic's former abortion instruments alongside modern medical technology to reveal the miracle of life in the womb and equip audiences with medically accurate, life-affirming truth.
